- 1. Project Goal:** (25% of total score). What was the objective?  
The judges want to understand the assignment, the objective, and the target for the display.

1. Objective – may not include company name or your display will be disqualified
2. Sales Contact Name, Address, Phone Number, and Email Address

### PHOTO REQUIREMENTS

You may submit up to three (3) different images, however the submission of two (2) images is required. The images should depict the entire entry/program. Since images are used exclusively with Case History forms during the first phase of judging of Shop!'s OMA Contest, it is advantageous to use high-quality color electronic images.

Do not include the producer name in the naming of the images

\* The use of photo-realistic renderings, while discouraged, is allowable, provided that they are produced with professional quality 3-D rendering software. Shop! reserves the right to reject any image that does not meet acceptable standards.

Images should not include the producer name.

The first image ("1 Image") should represent the display only and showcase the display in its best most typical fashion. This will be the image used at the Awards Celebration, in the OMA Awards Annual, and all other promotional activities.

The second image ("2 Image") should represent the unit in the retail environment where it may generally be placed. **This is a mandatory requirement.**

As an option, one additional image ("3 Image") should depict the display's versatility, multiple uses in various environments, or highlight special features should be submitted. A short video showing unique aspects of your display may be shown instead of a third image. Videos are limited to 30 seconds and should have no sound.

Entries will be considered incomplete if they do not contain both the "1" and "2" images.

Displays cannot be set-up on the show floor unless an entrant has paid in full. Set-up and teardown are the full responsibility of the entrant, not Shop!. You must comply with safety, fire and health ordinances regarding installation and operation of equipment.

If an entrant is unavailable for setup and teardown they may contact Freeman Decorating at (702) 579-1700 for these services.

Shop! wire grids will accommodate most hanging entries, but the use of them must be recorded during entry submission. Freeman does have gondola available for renting at a cost if needed.

- Displays will be set-up in their specific category area, instructions given by Shop! staff, Marshals and Freeman. - Set-up of all entries must be completed by 5:00 PM on Sunday, June 23, 2019 for the display to be judged. Any displays not set-up by this time will be disqualified and no refund will be given.

**Tear down:** Thursday, June 27, 2019 from 4:00 PM - 8:00 PM

- Tear down can start as soon as the GlobalShop floor closes. Please make sure you accurately report if you are trashing your display, donating product, etc. There are additional fees if you fail to report inaccurately and need additional services the day of.
- Empty crates, boxes and pallets will be brought in as quickly as possible, however this process can take a few hours. Please make your travel plans accordingly. Freeman Decorating is available to breakdown your entry if needed.

### HOW IS SHIPPING COORDINATED?

You may ship your entry or entries to McCormick Place Convention Center a number of different ways, including advance warehouse shipping (Freeman) or direct-to-dock delivery. Detailed shipping instructions will be posted on [shopawards.org/oma](http://shopawards.org/oma) closer to the show.

Do not pack or ship entries until you receive your Shop! Shipping Kit, which will contain complete shipping information. Shipping Kits will be available in mid-April. Preliminary floor plans will be available in mid-April.

The entrant's display(s) will be removed from the show floor and disqualified from the contest without refund.

Individualized entrant-supplied corporate identifying labels, signs, emblems and stickers are not to be affixed to any entry while on display in the awards area. Entries with such identifying marks will be removed and disqualified, and fees will not be refunded. Shop! will provide you, however, a uniform identifying card during set-up.

## ENTRY KIT

### LIABILITY

All entrants are responsible for the security of their entries and products. Plan to protect your property throughout the show, especially through the tear down period of the entry's outbound shipment from the exhibit hall. Do not give or 'trade' displays or products unless you first procure and sign a release form from the security desk at the show to sign over the displays or products.

All property shipped to or from the exhibit is at the sole risk of the entrant. Each entrant shall obtain insurance on their own behalf, as they deem necessary, to protect against loss or damage. You must agree to indemnify Shop! against, and hold it harmless from any liability whatsoever resulting from participation in the exhibit by the entrant or any person thereon with the consent of the entrant, whether or not caused by the negligence or fault of SHOP! or any of its agents. **Shop! urges contest entrants to use 'dummy' product on displays.**

While guards will be on the premises and every reasonable precaution will be taken to protect persons and property during installation, exhibit period, and removal, neither the association, management, service contractors, the management of the exhibit facility, nor any of the officers, staff, members, or directors of any of the same, are responsible for loss or damage to an entrant's property through theft, fire, accident, or any other cause or for any injury that might occur to show visitors, entrants or their agents, employees, or others.

### REGISTRATION & ADMISSION

All competition entries are set-up and displayed at GlobalShop in the At-Retail Marketplace. Having an entry in the competition permits access to the tradeshow floor during set-up and tear-down days of the tradeshow. Access to the tradeshow floor, however, during show days is regulated by GlobalShop admission policies and procedures. To register for admission into GlobalShop, visit [www.globalshop.org](http://www.globalshop.org). **Participation in the OMA contest does not include admission to GlobalShop during show days.**

### JUDGING STRUCTURE?

There are two judging phases; one online reviewing written entries and photos, and one in person in the GlobalShop OMA area. The latter will be used to confirm scores, notes and that the display resembles the electronic submissions.

Shop! employs a 10-point category scoring scale with a total of 100 possible points.

### WHAT JUDGES LOOK FOR?

#### **JUDGING PREMISE:**

- To gain **Credibility**
- To ensure **Fairness**
- To show **Vision**

#### Judges Charge:

Judges are asked to consider the clarity and veracity of the written information for each of these ten (10) scoring criteria.

This, along with the resulting display unit will provide the basis for the judging process.

Judges will be evaluating the entry on how well the observed display unit adheres to these criteria and provides "proof" of the presented information.

### WHAT IS THE AWARDS STRUCTURE?

Gold, Silver, and Bronze winners are awarded in each category according to each division (permanent, semi-permanent, and temporary) based on the following requirements:

- They must meet the minimum average score requirement for Gold, Silver, Bronze
  - 60 points minimum for bronze
  - 70 points minimum for silver
  - 80 points minimum for gold
- Each Category/Division can award up to 1 Gold, 1 Silver and 2 Bronze. In cases where there are multiple entries scoring above the minimum the highest score will receive the award and the next highest score will receive the next highest award available. For example, if three displays score 92, 88 and 82, the 92 will receive a Gold, the 88 a Silver and the 82 a Bronze, even though all were eligible for Gold.

While the composite scoring system can award up to 1 Gold, 1 Silver and 2 Bronze, that does not guarantee that all categories/divisions will have the maximum number of award winners. **In some cases, there may not be a Gold, or even any awards in a category, if the scoring does not meet the minimum standards.**

In 2018, OMA Judges awarded 36 Gold, 54 Silver, 93 Bronze.

### WHAT ARE THE OMA "SPECIAL" AWARDS?

#### THE DISPLAY OF THE YEAR AWARD (DOY)

This award is the most prestigious award of the OMAs and the highest recognition in the in-store marketing industry. One DOY Award is awarded in each division (permanent, semi-permanent, and temporary) and they are chosen from the Gold Award winners.

#### THE CREATIVE AWARD

This award was established to recognize and celebrate creativity and execution of at-retail merchandising design based solely on the creative merits of the submission. Entries eligible for this award are Gold, Silver and Bronze Award winners from all categories (Non-OMA winners will not be considered). The displays are then judged against the special criteria established for "The Creative Award." Active Creative Directors from various industry backgrounds form a panel of judges to choose the winning displays, and one award will be given in each division (Permanent, Semi Permanent, and Temporary).

### THE BUDGET AWARD

This award recognizes displays that had the greatest effectiveness while being budget conscious. To be eligible for the Budget Award, entries must be Gold, Silver or Bronze Award winners. In the Temporary Division the entry must cost under \$25, Semi-Permanent under \$50, and Permanent under \$100.

### WHEN ARE WINNERS ANNOUNCED?

All winners are announced at the Shop! Awards Celebration on Wednesday, June 26, 2019. A list of winners will be published on [shopassociation.org](http://shopassociation.org) and [shopawards.org](http://shopawards.org) the following day. The OMA Annual, showcasing all winning displays, will be shipped to entrants and Shop! members in late July 2019.

### WHEN ARE AWARDS AVAILABLE?

Display of the Year, the Creative Award, the Budget Award and are all shipped directly to the entrant following the show. Tracking information for all awards will be emailed to entrant when awards are shipped.

### CAN I SEE MY SCORE?

Shop! does not make the individual scores available. However, judges are encouraged to write comments about the entry/write up and those comments (without judge identifying information) will be emailed to all entrants in July 2019.
