FAQs

Q. What is the maximum number of entries I can submit?

A. There is no limit to the number of entries, as long as each entry submitted won a Gold Award in your own local market or Shop! Awards ceremony. However, each entry can only be submitted once. If two companies submit the same entry, Shop! will reach out to the entrants and decide which entry will stay in the competition.

Q. Do I have to complete all entry criteria for it to be eligible for the competition?

A. Yes. Despite having already won Gold in your local market, each entry will be judged again, by a different panel and so it is therefore critical that you complete all entry requirements. Otherwise, the judges will not be able to fully assess the merit of the display.

Q. Can I submit the actual display as part of my entry?

A. No. Only photographs and video clips are accepted in support of entries.

Q. How many photographs can I submit for each entry?

A. Eight. The minimum number of photographs required is three. It is essential to use photographs of the display in-store. Two video clips are also acceptable. Video clips can be no longer than 30 seconds and cannot include sound.

Entry Submissions

Entries for the competition will be judged on the following criteria:

- 01** What were the Client's objectives?
(maximum 250 words)
- 02** How were the objectives met?
(maximum 250 words)
- 03** Describe the materials, design & construction. *(maximum 250 words)*
- 04** How many were manufactured?
(Note: for entries in permanent & temporary categories only.)
- 05** Life expectancy.
(Note: for entries in permanent & temporary categories only.)

Judges look to the case study to provide all the information they require that is not visible from the images and videos submitted. Remember - if you don't include it, the judges won't know.
